NU

NAVKARAN SINGH UBHI(NAV)

OBJECTIVE

Highly motivated and detail-oriented cybersecurity professional with a passion for protecting sensitive data and mitigating cyber threats. Skilled in conducting security audits, vulnerability scans, and implementing security controls to ensure compliance with industry standards. Proven track record in reducing security incidents caused by human error and improving overall security posture.

SKILLS

- Strong Communication Skills
- Critical Thinking
- Data encryption standards and procedures
- Multiple task handling and assessment
- Python, Java, JavaScript, CSS
- Variable Local Subnetting(VLSM)
- Linux commands
- Network scanners like Wireshark
- Proficient in MS Office and Google Suite.
- Seasoned Computer Hardware, A/V tech
- Familiarity in incident response procedures and tools
- Data protection principles and standards
- Interpreting and Analyzing Logs
- Working with Virtual and Linux Environments
- Threat detection for common malware types
- Proficient in diagnosing hardware malfunctions and software conflicts
- Soldering and electronics repair skills
- Ability to explain technical aspects to non-technical users
- Experience in data recovery
- Configuring and integrating Cloud services with local computer

EXPERIENCE

IT HELPDESK ASSISTANT • CONCORDIA UNIVERSITY OF EDMONTON • JANUARY 2022-PRESENT

- Ability to resolve technical issues efficiently.
- Used remote desktop tools to support users.
- Troubleshooting A/V equipment and projectors.
- Managed multiple request and documented issues accurately
- Remained calm and composed in stressful and frustrating incidents.
- Provided Installation support for printers and computers
- Maintaining perfect working order for all computers, printers and Examination machinery
- Frequent use of Office software such as Microsoft Word, Excel and Google Drive.
- Analyzed problems, determined the cause and provided optimal solution
- IP addressing, DHCP and DNS troubleshooting

IT PEER TUTOR • CONCORDIA UNIVERSITY OF EDMONTON • JANUARY 2022-PRESENT

- Introduced and elaborated newest technology concepts to students.
- Tutored peers and interacted with the staff to ensure a quality help to the students.
- Made schedules for students to help accommodate their availability and communicate their issues.

COMPUTER REPAIR TECHNICIAN • UBHI TECHNOLOGIES • JANUARY 2018-SEPTEMBER 2021

- Conducted Preventative Maintenance and Troubleshooting
- Performed System builds, Installation and upgrades.
- Documented repairs and maintained working records
- Installed, Configured and troubleshooted Local and Wide Area networks
- Conducted Soldering and repair of circuit boards and components
- Sourcing parts at negotiated costs for repairs and upgrades.
- Repaired printers, laptops, monitors and computers.
- Recovering data from burnt and damaged hard drives
- Handling Oracle Database repairs, builds, and trouble shooting
- Setup and configure Application Specific Integrated Computers(ASIC)

EDUCATION

BACHELOR OF SCIENCE-INFORMATION TECHNOLOGY• PERSUING • CONCORDIA UNIVERSITY OF EDMONTON
GPA:3.7/4.0(2021-2024)
Major: Information Technology, Minor: Business Management

- Experience with SQL
- Experience with Oracle 11G and oracle cloud services
- Configuring input and output pool services for ASIC Computers
- Repairing and troubleshooting ASIC computers

CERTIFICATES

Certified in Cybersecurity Certification (CC) (Pursuing)

LinkedIn Skill Badges for Microsoft Word, Excel and PowerPoint.
